Claims Procedure Guide

Guide version CG-2026. Published by Example Mutual Insurance Co. This is a fictional sample document created for software testing.

How to File a Claim

Step 1 - Make the area safe and prevent further damage. Keep receipts for any emergency repairs.

Step 2 - Report the claim by calling 1-800-555-0100, 24 hours a day, or through the online claims portal. Have your policy number, the date and location of the loss, and a description of what happened ready.

Step 3 - Document the loss with photos or video, and keep damaged items until an adjuster has inspected them.

Step 4 - An adjuster will contact you. We acknowledge every new claim within 10 business days.

Step 5 - Send any documents we request, such as repair estimates, police reports or medical bills.

Timelines

Stage	Our standard
Acknowledge the claim	Within 10 business days
Accept or deny the claim	Within 30 days of receiving all required documents
Pay an accepted claim	Within 30 days of acceptance

If we need more time to investigate, we will tell you in writing why, and give an update at least every 30 days.

Appeals

If you disagree with a claim decision, you can request a review. Send your appeal in writing within 60 days of the date of the decision letter, and include any new information that supports your claim. An appeal is reviewed by a person who was not involved in the original decision. We will send a written response within 30 days of receiving the appeal.

Fraud Warning

Any person who knowingly files a claim containing false or misleading information may be committing insurance fraud. Fraudulent claims will be denied and may be reported to the authorities.
